Jobs

What kind of work do you have? Where is your work based? You can make up your story about work.

Age - Emma's story about her growing up

Emma as a deaf baby aged 6 months when her deafness was spotted by her hearing mother

Aged two, Emma was a toddler in North Cornwall.

Aged four, Emma had an old fashion hearing aid for the first time. She is playing with money!

Aged seven, a big girl! Here she is swimming!

Aged 10, her hair is blown into a mess by the wind.

Aged 18, she went to a hearing college as an art student.

Aged twenty three, Emma went to a BSL March in London. She met the nice policeman and asked for his name by sign. (I can't remember his name now!)
